## Contemporary Art Museum St. Louis Board of Directors appoints Paul J. Cambridge to serve as Chair

**October 17, 2024 (St. Louis, MO)**—Contemporary Art Museum St. Louis (CAM) is proud to announce the appointment of Paul J. Cambridge as the Chair of its Board of Directors 2024–25 where he will serve a term of two years. He succeeds Jackie Yoon as Chair and will serve alongside Treasurer David Bentzinger and Secretary Terry Hoffmann as Officers of the Board.

“Over the past three years, I have witnessed the tremendous impact of my predecessor Jackie Yoon, and our Executive Director, Lisa Melandri,” says Paul Cambridge. “Together, they have led the Museum through a remarkable season of growth and evolution—creating a welcoming space for the community to gather and connect not only with the most relevant and innovative art of our time, but with one another in a meaningful way. It is an honor and

privilege to serve CAM in advancing its mission.”

Cambridge has been a dedicated and active part of CAM for more than a decade. He first served on CAM’s Junior Board for four years prior to joining the Board of Directors in 2016, where he most recently served as Vice Chair. Cambridge has also served on a number of Gala and Dada committees at the Museum, and is currently a member of the Nominating Committee. In addition to his work with CAM, Cambridge is also significantly involved with a number of nonprofits in the region including the Saint Louis Art Museum, the Saint Louis Zoo, and Opera Theatre of Saint Louis.

Cambridge is a Partner at Armstrong Teasdale LLP. As leader of the firm’s Financial Services and Banking Industry Team, Cambridge provides legal services to clients of all sizes and structures—from entrepreneurial startups to large, publicly held companies. He has been recognized by his peers as a leading banking and mergers and acquisitions lawyer in Best Lawyers in America, Missouri & Kansas Super Lawyers, Martindale-Hubbell, and Chambers and Partners, most recently being named 2025 Lawyer of the Year in mergers and acquisitions law in St. Louis by Best Lawyers in America.

### **About the Contemporary Art Museum St. Louis**

The Contemporary Art Museum St. Louis creates meaningful engagement with the most relevant and innovative art being made today. Founded by civic and cultural leaders in 1980, the Museum transformed from a small gallery into an internationally recognized arts institution, now permanently housed in a flexible, open, and inviting building designed by renowned American architect Brad Cloepfil. CAM's distinct architecture reflects the organization's values and supports a dynamic range of exhibitions, public programs, educational initiatives, and community collaborations. The only museum in the region solely dedicated to contemporary art, CAM is one of the preeminent non-collecting institutions of its kind in the United States. We are a site for discovery, a welcoming space, free and open to all. For more information, visit [camstl.org](https://www.camstl.org).
