Design: Caitlin Metz.

September 15, 2025 (St. Louis, MO)—The Contemporary Art Museum St. Louis (CAM) invites trivia enthusiasts from across the region to [Fall in Love with CAM Trivia Night](#) on Saturday, October 18, from 7:00–10:00 pm. Presented by CAM's Junior Board, this fun-filled evening encourages you to unleash your inner trivia master and compete for a cause: raising funds to support CAM's free education programs.

Our fabulous emcee [Jade Sinclair](#)—beloved St. Louis-based entertainer and co-founder of The Grove's popular drag destination Prism STL—will serve looks and lead the epic showdown with eight exciting rounds of trivia covering food, St. Louis history, art, film, fashion, culture, and more. Between rounds, attendees can take part in additional activities including Heads or Tails, the always-entertaining Booze Tower Ring Toss where you can win your favorite libation, and the silent auction which will feature curated items from local artists, makers, and restaurants. Mulligans will also be available for purchase, offering teams a competitive edge during trivia.

Beyond the fun, this event is all about supporting the Museum's [youth arts education programs](#). All proceeds from the evening go towards programs that provide invaluable opportunities for young people to learn from regional, national, and international artists

Beloved programs like ArtReach, LEAP Middle School Initiative, New Art in the Neighborhood—a cornerstone initiative for over 30 years—and the Teen Museum Studies summer internship program are designed for young people ranging from grades 6-12 to learn new skills, think critically, work collaboratively with their peers, and learn directly from artists.

This event is for ages 21 and above. Assemble a team of the best and brightest and reserve a table to have fun showing off your trivia knowledge! The cost is \$500 per table of 10 and includes an open bar; guests are welcome to bring their own food to enjoy through the evening. About the Emcee

Jade Sinclair is the stage persona created by Michael in 1996, in a fundraising whim as the then founding member and president of Delaware Pride. Michael / Jade returned to Missouri, settling in the city of St. Louis in 2001. Jade's successes include capturing numerous titles including Miss Gay Missouri America 2007 and placing in the top 10 at the National Miss Gay America contest on multiple occasions; as well as Missouri Continental and Missouri Continental Elite. Jade has entertained across the Midwest and eastern US, and has hosted numerous shows in the St. Louis region before partnering to open the Grove's popular drag destination Prism STL in 2021. Aside from the love of the art and stage, Jade believes we are all in this together, and constantly encourages everyone to be kind to others, and always lead with love.

About the Contemporary Art Museum St. Louis

The Contemporary Art Museum St. Louis creates meaningful engagement with the most relevant and innovative art being made today. Founded by civic and cultural leaders in 1980, the Museum transformed from a small gallery into an internationally recognized arts institution, now permanently housed in a flexible, open, and inviting building designed by renowned American architect Brad Cloepfil. CAM's distinct architecture reflects the organization's values and supports a dynamic range of exhibitions, public programs, educational initiatives, and community collaborations. The only museum in the region solely dedicated to contemporary art, CAM is one of the preeminent non-collecting institutions of its kind in the United States. We are a site for discovery, a welcoming space, free and open to all. For more information, visit camstl.org.
